

In December of 2019 NeumanTree ceased producing trees. Fortunately, we have partnered with a number of our premier customers to offer a broad line of our trees in their stores this Christmas. **You can feel confident buying a tree this season knowing that Carolyn will be maintaining the office, website and customer service line until 2030. In other words, you will receive your full 4-year warranty on the lights, 10-year warranty on the construction of your tree as well as the availability to purchase additional replacement bulbs.**
